Sand Volleyball League Comes To An End

Bathed in brilliant sunshine, the Lancaster Parks & Recreation Department's women's outdoor sand volleyball league came to an end on Tuesday, August 16 on the courts at Walden Pond Park. After a two week playoff, championship night provided no surprises as all of our regular season champs captured their respective playoff titles.

"A" League: In the semi's Mary Kremer division champs the Spritzers took out the Polish Falcons two to zero (25-17, 25-16). Green Buffalo Pub pulls a mild upset in a two to one win over second place Frank's-Gorski (19-25, 25-18, 25-24) in the finals. In the last set of the year the Spritzers dropped the first game to Green Buffalo Pub 25-23 before roaring back 25-14, 25-13 to capture the playoff crown.

"B" League: Ceil Kicak's Smith's Gun Shop took no prisoners in a two to zero (25-23, 25-12) semi final win over Simme's Village Pub. Fireside Inn-Kugler pulled the upset in their division with a two to one (24-25, 25-15, 25-17) win over At Your Fingertips. In a well played final Smith's drops the first game 25-24, before taking the next two (25-17, 25-9) to take home the hardware.

"C" League: Sandy Retzer's Frank's rolled through the playoffs starting with a two to zero win over the semi's (25-24, 25-13) over the Red Ultra's. The one hit Wonders also pulled out the brooks in a two to zero (25-19, 25-18) win over At Your Service. The finals saw Frank's continue their steamrolling ways in a two to zero (25-18, 25-18) win over the One Hit Wonders.

We here at Lancaster Parks & Department would like to thank the 18 teams, sponsors, our officiating staff and Mother Nature for a great year. See everyone next year on the sand at the Ponds.
